

Note to Presenters

We are please you have chosen to share your work at the 8th Annual Paideia Conference. As you put your final touches on your presentations, please keep a few things in mind.

- All presentation should be a maximum of fifteen minutes in length.
- If you are using a PowerPoint Presentation, be sure it is compatible with earlier versions of PowerPoint, unless you plan on using your personal laptop.
- Mac users should be aware that the equipment in Ratcliff Hall is PC and PC based. Bringing your own laptop is advisable.
- Actual Overhead Projectors (the kind that use 'transparencies') will not be available. If your presentation makes use of this visual aid, it is highly advisable that you transfer this information to PowerPoint slides and see instructions above.
- All presenters are required to attend the entire presentation session. Please do not enter or leave once the session has begun
- Registration will be manned throughout the day until the Fourth Session has begun. You may register any time before your session begins. We suggest arriving at least 20 minutes prior to the beginning of your session.

Good Luck and we will see you on April 25th.
